SWEETEST MEMORIES AT UNISSA

During UNISSA' first Convocation, the international students were waiting to see His Majesty, and when he came to me, he asked me where do I came from & what program I studied in UNISSA. I think that was the happiest moment for me to talk before the humble King of Brunei.

TO FUTURE UNISSA ALUMNI

In my own opinion, future alumni of UNISSA should keep calm and work very hard to achieve their goal.

FOR ALUMNI WHO IS LOOKING FOR A JOB

"Research and practical-based learning are required to obtain jobs in academia-related industry. So, enhance your skills and don't give up."
