FOREWORD

بسم الله الرحمن الرحيم

إن الحمد لله، نحمده ونستعينه ونستغفره ونعوذ بالله من شرور أنفسنا ومن سيئات أعمالنا، من يهده الله فلا مضل له ومن يضلل فلا هادي له، وأشهد أن لا إله إلا الله وحده لا شريك له، وأشهد أن محمدا عبده ورسوله. أما بعد،

Alhamdulillah, for the grace and consent of Allah Subhanahu wa Ta'ala in the successful publication of the new version of this Academic Regulations for Graduate Studies.

In conjunction with the publication, I would like to take this opportunity to extend a warm welcome and express my heartiest congratulations to all the students for being selected to study at UNISSA.

Studying at UNISSA is the right step towards acquiring knowledge that brings success in this world and in the hereafter. With help from Allah, UNISSA strives to groom its students to be a generation that is knowledgeable, skillful and noble, in accordance with the notion of Negara Zikir (Zikir Nation) Vision 2035.

This is a reviewed version of the Academic Regulations for Graduate Studies that is meant to serve as a guide and reference in academic matters for all graduate students throughout their study at UNISSA. Indeed, students' commitment to their studies encompasses observance of academic regulations, as this can generate credible and successful students.

It is my hope that this Academic Regulations will be used by the staff as well as the students of UNISSA to ensure that all academic matters are systematic and transparent.

To end, I am pleased to extend my sincere appreciation to everyone involved in this endeavour for their valuable contribution of ideas, time and efforts towards the preparation and publication of this Academic Regulations. May Allah the Almighty reward you handsomely for your efforts. Amin Yaa Rabb al 'Alamin.

- 16.3. The main supervisor takes full responsibility for the overall management and direction of the student's research degree in addition to administrative issues relating to the student's registration, attendance, and progress.
- 16.4. The co-supervisor will normally be appointed to contribute their specific expertise in assisting the main supervisor throughout the development of the student's research degree and may act as a supervisor of sections of work in progress in consultation with the main supervisor. The co-supervisor may be required to offer specialist advice to complement the main supervisor's expertise or to provide continuity of supervision when the main supervisor is absent from the University in addition to providing the student with a second opinion on research matters.
- 16.5. The advisor or Head of Graduate Studies main role is to provide pastoral support to the student and to monitor their progress, providing advice accordingly. If the student has any difficulties that he/she would prefer to discuss with someone other than their supervisor, he/she can approach the advisor or Head of Graduate Studies in the first instance. The advisor or Head of Graduate Studies may have some experience in the student's research area, and if so can offer academic input, but this is not a requirement of the role and the advisor or Head of Graduate Studies do not have formal responsibility for the dissertation/thesis.
- 16.6. If, for any reason, the said supervisor or co-supervisor(s) is incapable of carrying out his/her duties, then the Faculty/ Centre shall recommend to the Director of CGS to appoint another academic staff to carry out the duties for a period deemed necessary.
- 16.7. If necessary, a candidate may apply to replace the appointed supervisor or/and co-supervisor(s) with a supervisor or/and co-supervisor(s) of his/her own choice to the respective Faculty/ Centre for consideration and approval of the Senate, not later than two (2) semesters after the appointment was made.
- 16.8. Every candidate must submit a progress report on his/her work to the Director of CGS through the Faculty/ Centre at the end of each semester.
- 16.9. A candidate who enrolls in a study programme by research, must schedule meetings with his/her supervisor not less than 10 contact hours for a part-time student and 15 hours for a full-time student every semester.
- 16.10. Any student who neglects meeting his/her supervisor and shows unsatisfactory progress for two (2) consecutive semesters will be assumed as abandoning his/her study and shall be terminated for negligence.
- 16.11. Any student terminated under Regulation 16.10 shall be required to repay all the allowances that he/she has received.

17. APPOINTMENT OF EXAMINERS

- 17.1. The CGS shall, upon receiving the notice of intention to submit dissertation or thesis for examination, notify the Dean/ Director of the respective Faculty/ Centre to nominate a list of Internal and External Examiners.
- 17.2. The Director of CGS shall submit the names proposed by the respective Faculty/ Centre to the GSC for deliberation and recommendation, then to the Senate for approval.
- 17.3. The Registrar shall appoint, in writing, the External Examiner(s).
- 17.4. The Director of CGS shall appoint, in writing, the Internal Examiner(s).

18. DISSERTATION AND THESIS EXAMINATION

- 18.1. The examination of a dissertation for Master Programme (by Coursework and Dissertation) is based on assessment by one (1) Internal Examiner without oral examination.
- 18.2. The examination of a thesis for Master Programme (by Research only) candidates must include:
 - 18.2.1. A thesis which will be assessed by at least one (1) Internal Examiner and one (1) External Examiner.
 - 18.2.2. An oral examination (Viva-Voce) for thesis defence before the Oral Examination Committee.
- 18.3. The examination of a dissertation for PhD and any other Doctoral Programme (by Coursework and Dissertation) candidates must include:
 - 18.3.1. A dissertation which will be assessed by at least one (1) Internal Examiner and two (2) External Examiners.
 - 18.3.2. An oral examination (Viva-Voce) for dissertation defence before the Oral Examination Committee.
- 18.4. The examination of a thesis for PhD and any other Doctoral Programme (by Research only) candidates must include:
 - 18.4.1. A thesis which will be assessed by at least one (1) Internal Examiner and two (2) External Examiners.
 - 18.4.2. An oral examination (Viva-Voce) for thesis defence before the Oral Examination Committee.

- 18.5. External Examiners are either physically present on-site or participate remotely via the virtual conferencing platform.
- 18.6. The Oral Examination Committee:
- 18.6.1. The Oral Examination Committee consists of:
- a) Director of CGS or a representative as the Chairperson;
 - b) External Examiner(s);
 - c) Internal Examiner;
 - d) Head of Graduate Studies or representative from the relevant Faculty/ Centre; and
 - e) Supervisor.
- 18.6.2. This Committee will consider the students' examination requirements and make one of the following decisions:
- a) Accepted and recommended as pass without modifications or amendments;
 - b) Accepted and recommended as pass with minor modifications or amendments in which the amended dissertation or thesis has to be submitted within a period of not more than three (3) months;
 - c) Accepted and recommended as pass subject to major restructuring, revision, and/or major re-modification in which case the amended dissertation or thesis has to be submitted within a period of not less than three (3) months and not more than twelve (12) months, with or without re-viva voce;
 - d) The candidate fails and not to be awarded the Degree.
- 18.7. There shall be a BoE for Graduate Studies Programme (by Research only) comprising of the following:
- 18.7.1. Assistant Rector (Academic Affairs) or representative as the Chairperson;
- 18.7.2. Director of CGS or a representative;
- 18.7.3. Head of Graduate Studies or a representative from the respective Faculty/ Centre;
- 18.7.4. Internal Examiner(s);
- 18.7.5. External Examiner(s); and
- 18.7.6. Supervisor.

- 18.8. There shall be a BoE for Graduate Studies Programme (by Coursework and Dissertation) comprising of:
- 18.8.1. Director of CGS or a representative as Chairperson;
 - 18.8.2. Head of Graduate Studies or a representative from the respective Faculty/ Centre; and
 - 18.8.3. Internal Examiner(s).
- 18.9. The candidate is required to submit the final copies of his/her dissertation or thesis after making corrections or amendments (if any) within the period given by the BoE.
- 18.10. The final copies of the dissertation or thesis must be verified by the Post BoE/Viva Voce Supervisor before submission.
- 18.11. The Senate, having considered the BoE recommendation, will endorse the award of the Master Degree or PhD Degree or other Doctoral Degree.
- 18.12. A candidate who has failed the dissertation or thesis examination shall not be readmitted to the programme.

19. COURSEWORK ASSESSMENT

- 19.1. The award of Grade Point (GP) for every semester is for coursework and any other forms of assessment carried out throughout the semester as well as the end of semester examination.
- 19.2. The Grade and GP for Graduate Diploma coursework will be awarded as follows:

Grades	Marks	Grade Points	Status
A	86 – 100	4.00	EXCELLENT
A-	80 – 85	3.70	
B	75 – 79	3.33	VERY GOOD
B-	70 – 74	3.00	
C+	65 – 69	2.70	GOOD
C	60 – 64	2.30	
C-	50 – 59	2.00	
F	45 – 49	1.70	FAIL
	40 – 44	1.00	
	00 – 39	0.00	

19.3. The Grade and GP for Master Degree coursework will be awarded as follows:

Grades/Remarks	Marks	Grade Points	Status
A	90 – 100	4.00	Excellent
A-	80 – 89	3.67	
B+	75 – 79	3.33	Credit
B	70 – 74	3.00	
B-	65 – 69	2.67	Conditional Pass
C+	60 – 64	2.33	Conditional Pass
F	55 – 59	2.00	Fail
	50 – 54	1.67	
	40 – 49	1.00	
	0 – 39	0.00	
P/F			Pass/Fail (for a course bearing no grade)
IG			Incomplete Grade
AU			Audit
WDN			Withdrawn
IP			In Progress
Def			Examination Deferred
BAR			Barred from final examination

19.4. Grades awarded without GP

- 19.4.1. A candidate who has taken a course which does not require a grade but only a pass or fail will be given P/F (Pass/Fail).
- 19.4.2. IG (Incomplete Grade) Grade will be given to a student who has not completed any of the requirements of a particular course due to a reasonable and valid reason(s). The student must complete the course requirements not later than two (2) weeks after the registration of the following semester to attain the complete evaluation and grade.
- 19.4.3. IP (In Progress) remark will be given to work, project, dissertation or thesis which is not given any GP value and takes more than one semester to complete. The credits for the work, project, dissertation or thesis will only be considered for the calculation of total credits for degree requirements.
- 19.4.4. AU (Audit) remark will be given to a candidate who has registered and attended a course but is not required to sit for the examination for the said course.

- 19.4.5. WDN (Withdrawn) remark will be given to a candidate who has withdrawn from a particular course after obtaining the permission from the respective Lecturer and Dean/Director of Faculty/ Centre within the prescribed period as mentioned in Regulation 14.6.
- 19.4.6. Def (Deferment of Examination) remark will be given to a candidate who has been allowed to defer the examination as prescribed in Regulation 25.
- 19.5. Credit hours (CHrs), Grade Point Average (GPA) and Cumulative Grade Point Average (CGPA)
- 19.5.1. All required courses will be included in the calculation to fulfil the credit requirements. Audit, pre-requisite and withdrawn courses will not be included for credit calculation.
- 19.5.2. GPA and CGPA will be determined according to the following methods:

a) The GPA

Sum of course Credit Hours multiply by Grade Point divided by Registered Credit Hours in the semester.

Calculation for the GPA is as follows:

$$\text{GPA} = \frac{\text{Sum (Course CHrs X GP)}}{\text{RCHrs}}$$

b) The CGPA

Sum of Course Credit Hours multiply by Grade Point divided by Cumulative Registered Hours in all semesters.

Calculation for the CGPA is as follows:

$$\text{CGPA} = \frac{\text{Sum (Course CHrs X GP)}}{\text{CRCHrs}}$$

CHrs = Credit Hours assigned for the particular course

Grade Point = the point which is assigned to the grade the student has achieved (as allocated in the grade scheme)

RCHrs = Registered Credit Hours in the semester

CCHrs = Cumulative Credit Hours in all semesters (fail credit hours excluded)

CRCHrs = Cumulative Registered Credit Hours in all semesters (fail hours included)

19.6. Academic achievement level and terms to resume study:

19.6.1. A candidate's achievement level will be determined according to CGPA of each semester as follows:

CGPA	Achievement Level	Qualification to Continue Study	Qualification for Award of Degree
> 3	Pass	Qualified	Qualified
< 3	Conditional Pass	Qualified	Unqualified
< 2.33	Failed and Dismissed	Unqualified	Unqualified

19.6.2. A candidate must achieve at least CGPA 3.00 for each semester. A candidate who obtains a CGPA less than 3.00 in a semester will be given probationary status in the following semester to improve his/her performance to at least CGPA 3.00. Failure to do so, the candidate will be dismissed from the programme and awarded Graduate Diploma, provided he/she has passed all courses.

19.6.3. A candidate who has registered for a course but is barred or absent from final examination will be considered as having failed and shall be given an F Grade.

19.6.4. A candidate shall repeat any course(s) that he has failed when it is next offered. A course given F grade is still counted in determining GPA and CGPA until the student repeats and passes the course(s). For a repeated course, the grade obtained shall not be counted for the grade calculation. The repeated course will only be graded as a P or F. The student shall be considered as having completed the programme after having passed all the courses and the dissertation.

19.6.5. The examination result of a student who has attended lectures and taken the examination for a particular unregistered course will not be considered.

20. OWNERSHIP OF INTELLECTUAL PROPERTY OF DISSERTATION OR THESIS

20.1. The University acknowledges the students' ownership of copyright to the dissertation or thesis being submitted. However, whenever the student submits the dissertation or thesis to fulfil the programme and graduation requirements, it shall be subject to the following:

20.1.1. If the dissertation or thesis contains intellectual property domains such as patent or trademark or copyright to the materials, ideas or other that the

University deems beneficial, then the University shall have the right on the ownership of the dissertation or thesis.

- 20.1.2. If the dissertation or thesis contains data, models or tangible or intangible output, then the student's copyright will only extend to the form of expression of the data, models or output in the document. Ownership of the research data, the data base, models or output shall remain the property of the University.
- 20.2. The physical document and/or device on which the students' authored work was recorded or stored or printed and submitted to the University such as the dissertation or thesis document, the examination scripts, term papers, project works, models, drawings, case studies, CDs, DVDs, tapes, etc., will become the property of the University unless returned to the student by the University and the University owns the rights to utilise them as it deems fit and proper.
