SWEETEST MEMORIES AT UNISSA

The opportunity to undergo my undergraduate study at UNISSA was one of the memorable experience that I will continue cherish from time to time.

Being a student at UNISSA has given me the necessary knowledge to further my study overseas as well as in acquiring the much needed experience when looking for a job long after graduating.

I'm forever grateful to my friends, professors, teachers for their support and advice throughout my years at UNISSA.

TO FUTURE UNISSA ALUMNI

Listen to your professors/ustaz always! You might not appreciate their advice now but you will need it when the time comes. Learn from the Experts (professors etc) and prepared for the unexpected.

FOR ALUMNI WHO IS LOOKING FOR A JOB

"Don't give up just because things get tough. Every journey begins with a single step. We just have to have patience."
