SWEETEST MEMORIES AT UNISSA

Two things that shaped my beliefs, faith and practices for both
in my personal life and business:

- Learning about Islam and its practices as well as learning about both Islamic finance and conventional finance.
- Being surrounded by amazing people such as lecturers, classmates and students who consistently reminded me to be the best version of myself.

TO FUTURE UNISSA ALUMNI

Never stop learning regardless of your status or achievements in life, whether you are a CEO or a student. As the prophet said “The strong believer is more beloved to Allah than the weak believer, but there is good in both of them”. “Strength” doesn't mean just physical but also skill, knowledge and Iman therefore, gain as much knowledge and skills while you can before you start your career.

FOR ALUMNI WHO IS LOOKING FOR A JOB

- 1) Set your vision and mission in life. You'll have a guideline on what you want to achieve in your life and your success should be measured from being able to achieve that vision.
- 2) Find your passion. If you do what you love, you'll be able to achieve greatness.
- 3) Work hard and be persistent. As mentioned in Surah An-Najm verse 39 "men will not get anything unless he works hard" (53:39).
- 4) Find the balance of life on earth and hereafter. Dont forget your duties as a human and as a muslim.
